

Rec Club – Frequently Asked Questions

Is the Sanctuary Lakes Rec Club exclusive to Sanctuary Lakes residents?

Yes! To gain access to the Rec Club, you must be a Sanctuary Lakes card holder. These cards are issued by SLRS only after proof of residency is confirmed.

Why do we offer swimming lessons? Where does that money go?

The swimming lessons are run and staffed by CHM (management company who run the gym). These classes are run at agreed times and are only available to children of residents.

Lessons have been a service offered by CHM Management since their inception as manager of the Recreation Club. Swimming lessons offset the CHM Management fee, if we were to cancel lessons it would lead to an increase of OC Fees.

What powers do the Directors of SLRS have?

Under the constitution (located on our website) at 43.1 the directors are responsible for managing and directing the activities of the company to achieve the purpose(s) set out in clause 7. Clause lists several purposes including 7.5 to manage, and maintain in good working order, any and all assets obtained by the company and held for the benefit of members, including the common property.
