

Waterfront Building Redevelopment (Project 04/19) – Q&A Sessions

This is a dedicated 'Project Updates' section for the Waterfront Building Redevelopment Project (04/19). Regular updates regarding the progress of the project will be provided here.

7/2/2023

Q&A Sessions for the Waterfront Building Redevelopment Project (04/19) will be held throughout late February and early March 2023 - this is Step 6 of Phase 1, as communicated in October 2022.

Dates and times of the five (5) Q&A Sessions are as follows:

- Thursday 23rd February 2023 *between 4pm to 8pm*
- Friday 24th February 2023 *between 1pm to 5pm*
- Saturday 25th February 2023 *between 9am to 1pm*
- Wednesday 1st March 2023 *between 4pm to 8pm*
- Thursday 2nd March 2023 *between 9am to 1pm*

Following the successful Community Panel Sessions which were held from November 2022 to January 2023, four (4) architecturally design concepts were developed by the panel, which are now ready to share with residents.

Residents are encouraged to attend at any time between the hours of one of the sessions, to review the designs, costings estimates and fee modelling. The SLRS team will be available to answer any questions and to capture all feedback.

The sessions will be held at the Community Meeting room located at the Waterfront Building Community Centre/ Administration (72 Greg Norman Drive, Sanctuary Lakes) - entry via the side entrance.

Residents are invited to walk around in their own time and become familiar with the four (4) architecturally design concepts, ahead of the detailed information pack being sent to all Lot Owners in mid-March 2023. The pack will provide Lot Owners with information ahead of Step 7 of Phase 1, the initial survey for Lot Owners to vote for their preferred option in order of preference (i.e. 1 to 4). The first survey will be released in late March 2023.
